

### **Registrations are now open for New Zealand's first ever Gas New Zealand forum!**

The joint LPG Association, the Gas Association of NZ (GANZ) and New Zealand Institution of Gas Engineers (NZIGE) forum is designed to be relevant to, and appeal to, a much broader cross-section of gas industry participants.

[Click here](#) to download the registration form.

[Click here](#) to download the programme.

The registration form and agenda for the October 19-21 event can also be downloaded from the [LPG Association](#), or [NZIGE](#), website. There are two payment options available - cheque or direct debit. And payment must be received before 07 October in order to guarantee your place.

### **Networking activities**

Networking options this year include a lake cruising/fishing trip, a geothermal plant visit or a nine hole ambrose golf tournament - all great ways to network or catch up with friends. Note: Those hiring golf clubs will need to cover the \$25 cost themselves. Furthermore, the Wairakei international golf course has a dress standard. No jeans, trackpants, workboots, jandals or t-shirts are allowed.

### **Accommodation**

For accommodation enquiries or bookings, please contact Bayview Wairakei Resort on 0800 737 678 and mention you are attending the Gas New Zealand Forum.

The accommodation rate for a standard room including breakfast for one is \$169.00 per night inc gst.

The Resort is located only five minutes north of Taupo's town centre and offers superb hotel accommodation, excellent leisure facilities and dining, as well as a purpose-built Taupo conference venue.

### **After dinner speaker**

Ben Hurley (Star of hit TV3 show 7 Days) is set to impress as the after dinner speaker at this year's forum. Ben is the winner of two of New Zealand's prestigious comedy awards - the Oddfellows Billy T award and the Fred Dagg award – and according to his profile he has a massive, yet likeable, stage presence that can win over the toughest of crowds. Should be a good night!

For more information please visit [LPGA](#) or [NZIGE](#), or call 04 914 1765.

Plus, if you're interested, it's not too late to sponsor the event. [Click here](#) to download our sponsorship offers.

We look forward to seeing you there!

Peter Gilbert  
Executive Director  
LPG Association
